## Derma Laser Hygeia

### Full Botox

The uses of full face botox treatments extend beyond the traditional three areas – the forehead, glabella and crows feet. It includes additional regions including the “bunny lines” to the upper nose, smokers lines above the top lip, smiles lines to the lower cheek and dimpling to the front of the chin.

Duration in Days: 1 visit

**Package Price: 300€**

### Partial Botox

Botox injections are shots that use a toxin to prevent a muscle from moving for a limited time. These shots are often used to smooth wrinkles on the face.

Duration in Days: 1 visit

**Package Price: 100€ /area**

### Fractional Laser

Fractional laser treatment is a non-invasive treatment that uses a device to deliver a laser beam divided into thousands of microscopic treatment zones that target a fraction of the skin at a time, analogous to a photographic image being enhanced or altered pixel by pixel.

Duration in Days: 1 visit

**Package Price: 200€**

### Alexandrite hair removal laser

Alexandrite hair removal laser is almost painless, thanks to the automatic cooling mechanism of the skin, which is available exclusively for this laser of the American company Candela

Duration in Days: 1 visit

**Package Price: 70€-500€/area**

### Hyaluronic Acid Therapy

Hyaluronic Acid fillers, one of the most popular anti-aging treatments, smoothing out and fill mouth area, cheek wrinkles and restore the skin's volume.

Duration in Days: 1 visit

**Package Price: 300€**

### PlexR

Plexr, has been termed “soft surgery” which best describes this procedure. It delivers surgical results, but with no scalpel, wounds or stitches, no bandages and only minimal downtime.

Duration in Days: 1 visit

**Package Price: 260€/area**

### PRP

Platelet-rich plasma therapy is a form of regenerative medicine that harnesses and amplifies the natural growth factors found in our blood cells

Duration in Days: 1 visit

**Package Price: 220€**
